

Grade 2 Home Learning Grid Term 1 Weeks 7 & 8

Unit of Inquiry

Send an email to your teacher explaining any difficulties you have had communicating with people from different cultures.

Math

Practise different strategies for adding numbers together. Think about the strategies that we have practised at school.

Complete at least one Mathematics activity each week.

Literacy

Read a book for 15 minutes every day. Use your visualising skills to help you to understand what you are reading.

Do your word sort each day. Can you use the words in conversations?

Just for Fun Brain Teaser

How many months have 28 days?
