

Grade 2 Home Learning Grid - Term 3 Week 6

Math

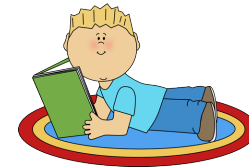

Can you find different shapes at home? What are they? Don't forget to complete your Mathematics activities.

Where We Are in Place and Time

What kinds of structures do you see on your journey home? You can sketch them and share in class.

Reading

Read a book for 15 minutes every day and practise a reading strategy that you want to improve on Into the Book. You can also read a book on Raz-Kids.

Just for Fun Brain Teaser

How many triangles are in this picture?
