

Grade 2 Home Learning Grid - Term 3 Week 7

Math

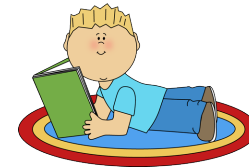

Can you spot any symmetry around you? What do you notice?
Don't forget to complete your Mathematics tasks.

Where We Are in Place and Time

Tell your family about some of the cultures that are in Singapore.

Reading

Read a book for 15 minutes every day and practise a reading strategy you want to improve on Into the Book. You can also read a book on Raz-Kids.

Just for Fun Brain Teaser

I am a quadrilateral. I have four sides of equal length and four angles that are not right (90 degree) angles.

What am I?
