

Grade 2 Home Learning Grid - Term 3 Week 9

Math

What patterns do you see at home? What shapes do you find?

Mandarin

Talk to your family about the paper cutting. What kind of symbols did you create? What did they mean? Create your own symbol using the paper cutting technique.

Reading

Think about what makes a good story. Use these ideas when writing your own. Be ready to share with the class.

Just for Fun Brain Teaser

Write your own brain teaser to share with the class.
