

Grade 2 Home Learning Grid – Term 4 Week 3

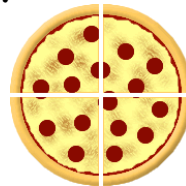

How We Express Ourselves

Create your own image that has a message. You could use paint, or pencils, or cameras or whatever media you would like.

Math

Think about how many different parts you can cut one pizza into if you are sharing it equally with 6 people. Is there only one way to do this?

Don't forget to do your Mathematics work too!

Literacy

Can you recite a poem off by heart? Be ready to share it with the class on Friday. Don't forget to read your book every day too!

Just for Fun Brain Teaser

A man was outside taking a walk, when it started to rain. The man didn't have an umbrella and he wasn't wearing a hat. His clothes got soaked, yet not a single hair on his head got wet. How could this happen?
