

Grade 2 Homework Grid - Week 8

Maths

Practise counting by 2's and 5's, forward and backward with someone in your family. Start from a two digit number (like 34) and then try with three digit numbers (like 125). Use a hundreds chart if you need help.

Learner Profile & Attitudes

Creativity: Use your imagination to think in new and different ways. Create something using your imagination. Take a picture and share with the class.

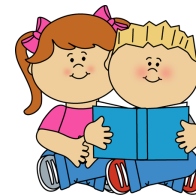

Cooperation: Work and collaborate with your family while playing a game inside or outside. Be ready to share your experience with your class.

Reading

Read a book for 15 minutes every day. Make sure that you choose a 'good fit' book.

Literacy

Summarise a story for Mom or Dad. Remember to use 'somebody, wanted, but, so, then' to help tell the most important parts of the story in your own words.

Brain Teaser

Can you figure out the riddle?

What occurs once in a minute, twice in a moment and never in a thousand years?
